Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

Triman Label Indicates that used packaging should be sorted. Additional icons show how to sort and recycle.

Recyclable Packaging Made from materials that can easily be recycled if disposed of correctly.

This product has been tested and conforms to the requirements of the following standards.
