Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

**CE Mark** Meets EU health, safety & environmental protection directive requirements.

**WEEE** Waste Electrical & Electronic Equipment Directive reduces the amount of electrical and electronic equipment being produced and encourages reuse and recycling. For the product's after life, please take it to designated collection points, where they will be accepted free of charge.

Alternatively, in some countries return items to your local retailer upon the purchase of an equivalent new product.

**Contains Magnets** Swallowed magnets can be dangerous.

**Triman Label** Indicates that used packaging should be sorted. Additional icons show how to recycle.

**This product has been tested and conforms to the requirements of the following standards.**
